U.S. DISTRICT COURT  
DISTRICT OF DELAWARE

To Judge Thyng:

I went and saw doctor domingo singson on 7-24-07  
they ran test on my left hand, I have never dange.  
which I feel could of been prevented. my briff's  
tell all. I am send copies of everthing to you and  
the defendants and a copy to the clerk of the court  
from doctor Singson my next appointment is Aug. 32. 07.

~~First~~ medical never did anykind of test to get  
to the problem as well if we could get copies of  
the log book and video tapes on the day of the incident  
with the guards you can see how my hand were swollen  
which I still can't get all my discovery because they keep  
sending the same thing over when I know there's more.  
and it well also show and tell you I was put in the  
infirmary for Seven days of the incident with Charles et.

This is in all my briff's what I been trying  
to tell the courts and here is the doctor's report on my  
left hand.

Date: 7-24-07

Respectfully

Daniel S. Green
